"Another North Country weekend under our belts; and another weekend where Jim and the team gave us every opportunity to have a stunning time. Five dad's, 11 kids, a few million gallons of water, someone in the back of the boat who loves their job, and a place to unwind after it all, where you get to meet the nicest folks on the planet. We'll be back next year for sure and will continue to grow our numbers. Thanks for doing such a great job year after year."

Kennebec River

Big Waves, Big Whitewater, Big Fun!
Maine's Most Popular River.

"Whitewater rafting on the Kennebec yesterday with the family...an amazing experience!

We had two rafts. The guide for our raft, Reily, was great and extremely supportive, knowledgeable and had a lot of experience. Our raft had the oldest (my mother) and the youngest (my niece).

We all had a wonderful and memorable time. It was a great bonding experience; even more so for the children, for whom it was one of the high points of the one-week vacation in Maine. Thank you North Country Rivers. . . hope to come again!" Nishkala – Carlisle, MA

Penobscot River

The Most Challenging Whitewater in New England

"Rafting on the Penobscot can be summed up simply as one of the biggest thrills and one of the most peaceful times wrapped together. Obviously, the rapids are the source of the thrills but the time in between is so peaceful ...just the sound of the river, beautiful scenery, a salmon fisherman or two and maybe even an eagle ... so relaxing. Bobby was a great guide who made the trip very enjoyable. The river lunch was met with much anticipation … nothing like eating outside after a day on the river. Kudos to the guys.."

Paul – Fredericton, NB, Canada

The Penobscot is the most technically challenging river in Maine and one of the best in the United States. You will experience technical rapids, exposed rocks, steeper gradients and awesome whitewater.

The river is set in the shadow of mile high Mt. Katahdin and on the perimeter of Baxter State Park. Eagle, osprey, moose and bear sightings are not uncommon, while the river abounds with salmon and trout.

TRIPS OFFERED ON THE PENOBSCOT:

PENOBSCOT "FULL RIVER TRIP" – Run the more moderate Lower Section in the morning and the more challenging Upper Gorge in the afternoon, this trip runs every rapid on the river and floats by mile high Mt. Katahdin. Minimum age is 12 years (includes all rapids); 10 years (excludes class 5 sections); 5 years (excludes class 3 - 5 sections).

PENOBSCOT "ULTIMATE" – Run the Upper Gorge two times – this trip focuses on the Class 5 Upper Section and does not run the Lower Section. Minimum group size requirement or join an existing trip. Minimum age is 12 years.

16 Miles of Continuous Whitewater

The Dead River offers the most continuous whitewater in New England. From Spencer Stream to The Forks, Maine, this is truly one of the great whitewater experiences in the United States. BIG volume whitewater with challenging class 4 rapids.

The first two release dates, May 12th and 19th, are the BIGGEST AND MOST POPULAR OF THE YEAR - 7000 CFS (Cubic Feet Per Second). The remaining releases range between 2400-6000 CFS and offer more technical whitewater with great surfing.

Check out the table for dates and water releases. North Country Rivers is also offering Summer Dead River trips – great for summer family fun! Add the Kennebec or Penobscot Rivers for a Two River – Two Day, or Three River – Three Day trip.

"This past weekend a group of our family and friends got together and went whitewater rafting through North Country Rivers. I have only great things to say about the experience and would absolutely recommend them if you are looking to try rafting. This was my first time whitewater rafting and I can't wait to do it again. The whole trip went very smoothly, the guides were very capable and everyone had fun. The lunch prepared by the guides and crew was delicious too. You can tell how hard these guys work, it shows in how smoothly everything is run, how clean the facility & equipment is, and how little you need to worry about anything."

"We had an awesome time last year Rafting with North Country Rivers. My Troop is still talking about the Trip. Their specials for Scout Troops were THE BEST in the industry, no one comes close. We camped at their campground and had breakfast in their dining room. They were easy to work with and their facilities and equipment were excellent. One of my parents was so impressed they came back the following week for one of North Country's Turbine Test release trips. My Troop is looking to make rafting with North Country Rivers a regular event."
